About 1 Million Voices For Inclusion:

1 Million Voices For Inclusion is a passionate group of activists standing up for the rights and safety of the 2SLGBTQIA+ and transgender community on Turtle Island, also known as Canada. Our mission is to educate the public, connect and mobilize our communities, and plan peaceful direct action to counter anti-2SLGBTQIA+ and anti-trans groups. We envision a future where queer and trans people are safe, celebrated and set up to thrive in a society that loves and accepts them without reservation.
